**Subject:** Advertising Bus Stop Shelter Program: Scope of Work

We have recently completed the Scope of Work for the Bus Stop Shelter License Agreement. I have attached a copy of the Scope Of Work along with its referenced exhibits for your review and input. Our current Bus Stop Shelter License Agreement with Clear Channel Outdoor will expire on September 10, 2008. We plan on advertising and soliciting bids by April 2008. In order to meet this date, we need to begin preparing the Request For Proposals package in early January 2008. We look forward to receiving your comments. Please let me know if you have any questions or would like to discuss the scope.
